PRESS RELEASE

PUBLIC RELATIONS SOCIETY OF TANZANIA (PRST) LAUNCHES A NEW WEBSITE

Mwanza, (September 19, 2016): Public Relations Society of Tanzania (PRST) announces today the official launch of www.prst.or.tz, a website devoted to increasing awareness on matters of the communication profession, registration of members to the professional body and support practitioners in all aspects of practise in consistent with the society's mission.

The new PRST website provides benefits and ways in which visitors can apply and be registered on various types of membership. The site will further provide information on the practise of communication profession, resources that will enhance growth of the profession in the country and the standards of practising.

"With this new website, we expect to communicate to you professionally on issues pertaining to the communication field and more importantly to impact the community towards development" Said Loth Makuza, the president of PRST.

Public Relations Society of Tanzania is a professional body with a mission of developing, supporting and facilitating academicians as well as organizations in Public Relations/ Communication practice and in strengthening good relations with the community. Visit www.prst.or.tz for more information.

Office of Public Relations,
PRST.
